THE PREZ SEZ by David Schulte, President

Make sure and break out the thick blankets for our cold nights in the Old Pueblo as we went from 100 degree summer days straight into cold winter nights this year and skipped the fall this year! Our latest Board meeting was held on 10/29/24 at 5:00 PM at the Club's main building. Once again we welcome all Club members to attend our Board meetings.

The silent auction on November 2nd at the Club raised a significant amount of money for the Club this year and I hope everyone got some great deals on all the material and equipment we auctioned off. My thanks go out to all the volunteers that helped set up and run the event: Danny Harmsen, Dave Richardson, Jean Barkley; Diana Hara; Mike Tucker; Ted Rupp; Tom McDivitt; Chuck Lundstrom; Jack McCabe; Janet

Rupp; Twink Monrad; Bill Penrose; David Schulte; Jennene Wulff; and Wayne Klement. If I missed anyone, my apologies. This is the Club's main money making event for the year and all proceeds go back to the Club for running and operating the labs and equipment.

The US Facetor's Guild dates for 2025 are as follows: Faceting class 2/4-2/5 general presentations 2/6-2/8. The Hob Nob will be on 2/8. The TGMS show is 2/13-2/16. The Club membership meeting will therefore be moved to the first Saturday in February 2/1/25. Wendy Huber has agreed to be the lead for our display cabinet presentation at TGMS this years and we will be asking for folks to bring in their marvelous Jewelry and gem creations for display at the show. More details will follow as we get closer to the show. This is an opportunity to show everyone in Tucson what beautiful things can be made at our Club and get folks to join up and participate in our lapidary passion!

There will be a demonstration in the silver lab on Saturday, 11/23/24 on how to press silver using the Potter dies from 9 until noon for anyone interested in learning how to use this tool in our silver lab.

The Club annual Christmas pot luck dinner will be held in December with a short Club membership meeting to vote in the new Board members. We are looking for volunteers to organize and run the event, bring in dishes, help serve and clean up for the event. Please contact myself or any of the Board members if you're willing to lend a hand this year.

We're still looking for anyone who is willing to donate some of their time and knowledge to volunteer to teach a specialty class and/or monitor at any of the Club labs please talk to me or any of the Board members to get more information about this. We ask that new monitors in any of the labs sign up for a 3 hour slot in the lab that they monitor in once a week for at least a year. Monitors can use the lab they monitor in for free, as long as it's a scheduled time slot for that lab to be open. The Board and I would like to thank ALL the volunteers for their time in monitoring in the labs so we can all enjoy our lapidary hobby.

We will accept any and all donation to the Club to include equipment or material dealing with lapidary. As a 501C organization you will receive a tax receipt to write off your donations to the Club. We'll even come and pick it up if you need us to. Let Danny Harmsen or any of your Board members know and we'll set up a time to come get it or you can drop it off at the Club anytime any of the labs are open! I hope everyone has a fantastic Thanksgiving. I'm looking forward to seeing everyone in the labs or at the Club sometime soon!

2024 SILENT AUCTION SUMMARY

The OPLC auction held on 11/2/2024 was a success but not quite as profitable as last year. The whole process ran very smooth with the excellent help we had. Following is a list of the people: Jean Barkley; Diana Hara; Mike Tucker; Ted Rupp; Tom McDivitt; Chuck Lundstrom; Jack McCabe; Janet Rupp; Twink Monrad; Bill Penrose; Jennene Wulff; Wayne Klement; and David Schulte. I apologize if I missed recognizing anyone. The auction is the main fundraiser for the club and, with the generous donations of the members and non-members, continues to keep our expenses paid. Thank you again for the donations of both time and materials.
